

# HOW IS THE ELECTRICITY TARIFF DETERMINED?

Tamil Nadu Electricity Regulatory Commission (TNERC) shall determine tariff and terms and conditions thereof.

## Application for determination of tariff

**STEP  
01**

TANGEDCO files a petition to determine electricity tariff for a said period along with the Aggregate Revenue Requirement (ARR).\*

\*ARR contains the details of the expected aggregate revenue and the estimated expenditure.

**ON OR BEFORE  
30TH NOVEMBER  
(EACH YEAR)**

## Publication of the application

**STEP  
02**

TANGEDCO publishes the contents of the application in an abridged form in English and Tamil newspapers for public information.

**ONCE THE  
APPLICATION IS  
RECEIVED BY TNERC**

## Public consultation

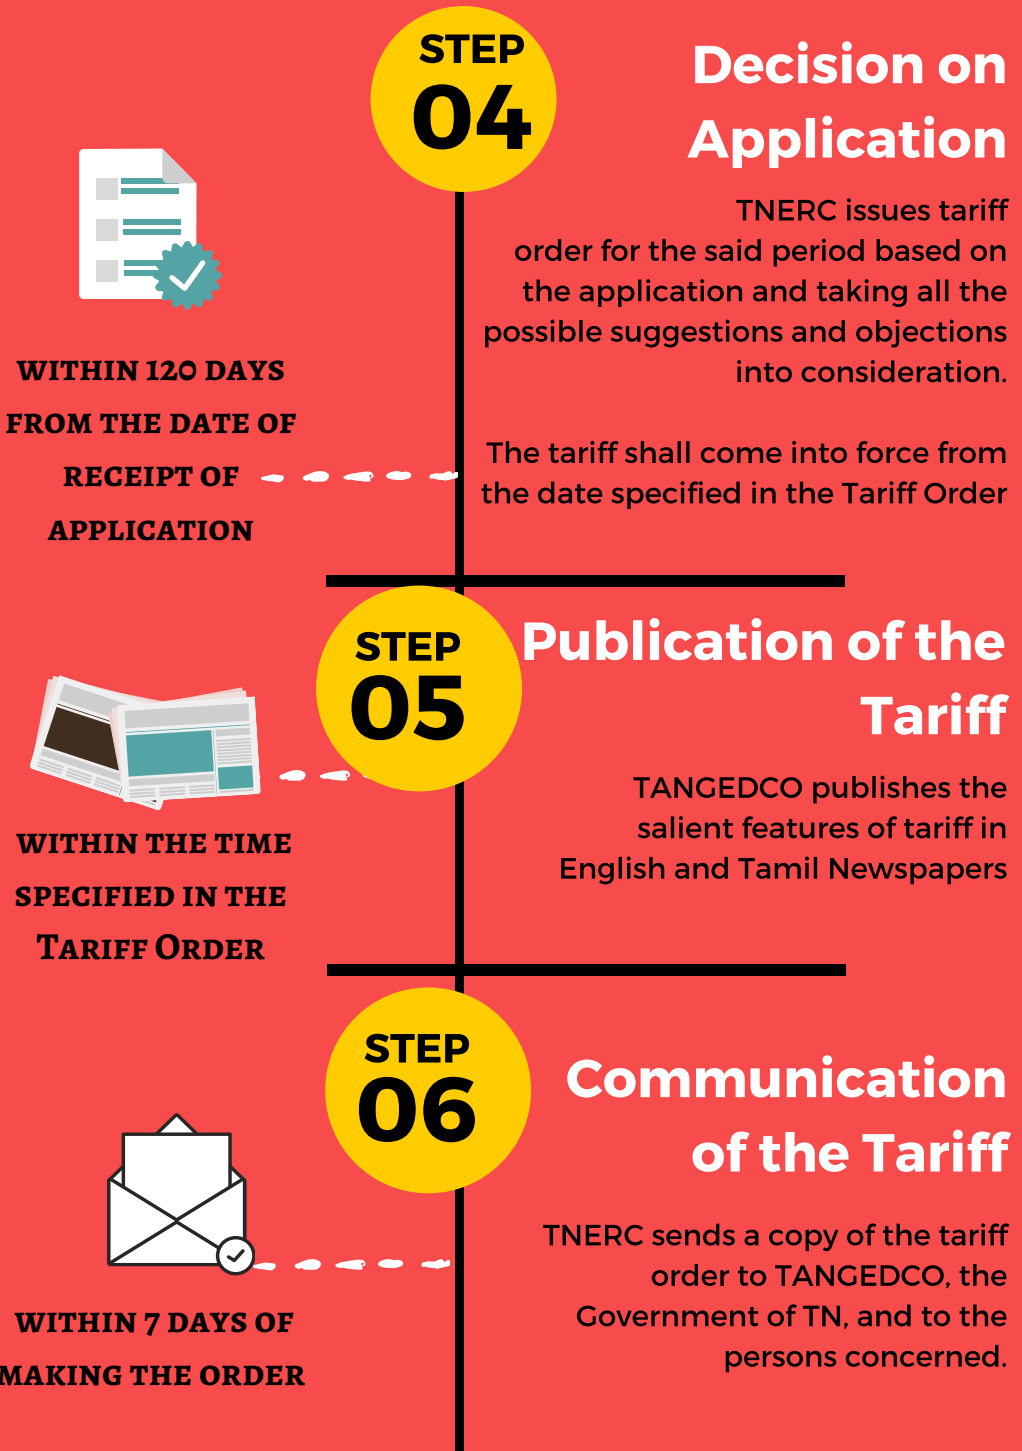

**STEP  
03**

TNERC conducts public hearings/consultations to record feedback, comments and suggestions on the filed petition.

**BEFORE TNERC  
ARRIVES AT A DECISION  
ON THE APPLICATION**

# HOW IS THE ELECTRICITY TARIFF DETERMINED?

In case TANGEDCO does not initiate tariff filings in time, TNERC shall initiate tariff determination and regulatory scrutiny on suo motu basis.
