PIO

Head Quarters, District Police Office

Perambalur district, Tamil Nadu 621 212

Dear Sir,

Sub: Seeking Information under RTI Act, 2005

I am an Indian citizen and I seek the following information under the Right to Information Act, 2005. I have affixed the fees of Rs. 10 court fees stamp on this letter. I am also ready to pay any other charges that I am required to pay under the Act for photocopies, CDs, etc. Kindly provide the information sought in soft copy (such as CD/DVD) if possible.

Kindly provide the following information for Perambalur district:

1. Date of formation/creation of District Road Safety Council (DRSC)
2. Terms of Reference for the DRSC
3. Procedure for nomination and confirmation of consumer groups, NGOs representatives as members
4. Number of consumer group/NGO nominations received from 2013 to 2019; number of consumer group/NGO members appointed from 2013 to 2019 with names, contact details and duration of term
5. Duration for which members are appointed and when term of current members will end
6. Details of honorarium/remuneration/reimbursement/facilities provided, if any, for members of the DRSC
7. Procedure to select road safety works to be carried out and procedure followed to allocate funds towards these works

Thanking you,

Sumana Narayanan

PROCEEDINGS OF THE TRANSPORT COMMISSIONER, CHENNAI-5

PRESENT: Dr. P. Senthilkumar, IAS

R.No.26183/IC2/2011

Dated: 05/05/2012

Sub: Road Safety-Road Safety cell created to assist the Road Safety Commissioner to monitor the Road Safety related activities in the State of Tamil Nadu-Formation of working Committee orders issued – regarding.

Ref: G.O.(D) No. 705, Home (Tr-V) Department, Dated:13/07/2011.

Order

The Government have, constituted a Road Safety Cell to assist the Road Safety Commissioner with the following members to assist the Transport Commissioner/Road Safety Commissioner to monitor the Road Safety related activities in the State.

- (i) One Inspector of Police from the Police Department.
- (ii) One Assistant Engineer (or) Assistant Director of Highway Research Station from the Highways Department.
- (iii) One Regional Transport Officer (or) Motor Vehicles Inspector, Grade-I from the Transport Department.
- (iv) One Lecturer from Anna University possessing a Master Degree in Transportation Engineering.

2. The Terms of Reference of the Road Safety cell is as follows:-

i) Analysis of Road Safety Information Data base.

Increasing trend of accidents is a matter of grave concern and steps have to be taken on a priority basis to reduce accident rate. The Road Safety Cell will examine the frequency of the accidents and ponder over the real reasons behind such alarming increase in accident rates.

ii) Improving safe Road Infrastructure.

Tamil Nadu is having one of the highest accident rates in the country. The problem of road accidents is huge, and the factors involved are many Engineering measures can contribute significantly towards Road Safety. The

4018

trend is for system wise safety planning. For instance, accident prone spots may be studied intensively for comprehensive package of improvements with special emphasis on safety aspects. Continuous efforts will be made to minimize the accidents by realigning accident prone spots, widening of roads, pedestrians subways, driver training, etc. based on the findings of the Road Safety Cell.

iii) On the spot Analysis of Major Road Accidents

At present, a three member team consisting of one Police Inspector, one Assistant Engineer, Highways Department, one Motor Vehicle Inspector, Transport Department, in the District make on the spot study on road accidents and furnish study reports. However, the Road Safety Cell will visit the major accident spots with more than 10 fatalities to study, analyze and report for better remedial measures.

iv) Guidance for preparation of proposals for Road Safety Fund

The proposals for Road Safety Funds are to be prepared on need basis with an expert knowledge of specialized team. At present proposals from some districts are not properly presented. The Road Safety Cell will undertake visits to districts and offer guidance in the preparation of the project/proposals.

v) Monitoring the Road Safety Funded programmes

At present, there is no effective monitoring mechanism of the Road Safety Funded programmes. The Road Safety Cell will undertake inspection of the ongoing Programmes/Completed Programmes and offer suggestions through feedback for effective utilization of Road Safety Funds.

3. In order to have effective functioning of Road Safety Cell, the following instructions are hereby issued.

- i) In an unfortunate event of an accident involving fatality of more than ten persons, the concerned zonal JTC or DTC shall take immediate steps to convene the meeting of the "Road Safety Cell" in consultation with the JTC (Road Safety) O/o. Transport Commissioner, Ezhilagam, at once.
- ii) Based on the visit, a detailed report shall be got prepared based on the "on the spot analysis" accident and submit a detailed report incorporating detailed suggestions for preventing recurrence of such incidents (including need for change in Rules/Policy etc.)
- iii) Report shall be submitted to the District Collector Concerned within 20 days of such incident and shall be sent to Transport

33

Commissioner with Collector's remarks/suggestion within a total of 30 days of such incident.

- iv) The members of the Road Safety Cell shall be paid TA/DA etc., as per rules in force from the Road Safety Fund for the above mentioned activities. The Joint Transport Commissioner (Road Safety) shall process all such claims as per rules in force.

Sd/P. Senthilkumar
Transport Commissioner,
